Mick's Golf Challenge

2,000+ golf holes in 7 days to raise over \$250,000 and take the world record title this November!
Mick's Golf Challenge is proudly raising funds to support Ronald McDonald House Charities South East Queensland.

Mick McLoughlin is a committed Board Member and proud supporter of Ronald McDonald House Charities South East Queensland (RMHC SEQ). Mick is taking his love of golf and passion for RMHC SEQ to a 'hole' new level, with his challenge to beat the world record of 2,000 holes in 7 days.

To achieve 2,000+ golf holes in 7 days Mick will have to play approximately 286 golf holes or 16 rounds of golf per day to take the world record. Those that know this businessman, philanthropist and RMHC SEQ Board Member and supporter well, know this crazy idea will be achieved.

The event will start on Sunday 21 November and will conclude on Saturday 27 November. The Challenge is not just about breaking a world record but also about raising much needed funds for Ronald McDonald House Charities South East Queensland, with an aim of reaching over \$250,000.

Proceeds from Mick's Golf Challenge will go directly to providing essential accommodation and support services to seriously ill children and their families when they really need it most.

About Ronald McDonald House Charities South East Queensland

Ronald McDonald House Charities South East Queensland provides essential accommodation and support services to seriously ill children and their families who require treatment at specialist facilities in Brisbane and on the Gold Coast.

Most families tell us that it isn't just having a safe place to stay, it's all the extra things that make it a real home away from home. The comfort of a hot cuppa or a shoulder to cry on with our staff after a hard day at the hospital. It's a home-cooked meal so they don't have to worry about dinner. It's the special treats from the pantry and entertaining activity kits for the kids. It's catching up on lost weeks or months at school by having access to a tutor. And at the end of the day it's the comfort of a warm bed or soft pillow to close their eyes; even for a moment.

Programs

- **Ronald McDonald Houses (RMH):** RMHC SEQ currently has three Houses in Brisbane; one at Herston adjacent to the Royal Brisbane & Women's Hospital, one at South Brisbane directly opposite the Queensland Children's Hospital (QCH) and Mater Mothers' Hospital (MMH) and a House inside the QCH, specifically to support patients of the Paediatric Intensive Care Unit. Each year we accommodate thousands of families in our Houses.
- **Ronald McDonald Family Room:** There are Ronald McDonald Family Rooms located inside the Gold Coast University Hospital (two Family Rooms) and QCH (one Family Room).
- **Ronald McDonald Learning Program:** The Program, assists school-aged children with serious illnesses and injuries to catch up on missed education following treatment and recovery.
